OUR STANDARD TERMS & CONDITIONS APPLY

- Please note the following:
- For equipment out of warranty, the owner is responsible for shipping charges in both directions.
 - For equipment in warranty, the owner is responsible for shipping charges into Radiodetection only; Radiodetection will ship it back to you at our expense.
 - Insurance is the responsibility of the equipment owner and must be specified.
 - For fastest turn-around, fill this form out as completely as possible and enclose with the unit on its way to Manly Vale.
 - Use proper packing methods, most electronic instruments such as locators are relatively delicate.

Warranty Claims must have Proof of Purchase Attached
